

## The Righteousness of God Questioned and Upheld Romans 3:1-8

### **BIG IDEA:**

*God never changes and the authority of His Word never declines.*

Four truths about God's **unchanging** character and attributes:

I. God's \_\_\_\_\_ and \_\_\_\_\_ are never diminished by man's \_\_\_\_\_. (3:1-2)

II. God's \_\_\_\_\_ and \_\_\_\_\_ are never diminished by man's \_\_\_\_\_. (3:3-4)

III. God's \_\_\_\_\_ and \_\_\_\_\_ are never diminished by man's \_\_\_\_\_.  
(3:5-6)

IV. God's \_\_\_\_\_ and \_\_\_\_\_ are never diminished by man's \_\_\_\_\_. (3:7-8)

### Application

1. Instead of *resisting and suppressing* the truth and authority of God's Word, ask God to help you **trust and obey His Word—by faith—for His glory.**
2. Instead of *surrendering to and embracing* the sinful demands of our unbelieving culture, **submit fully to the truth and authority of God's Word—and embrace Scriptural truth in the way that you live.**
